May 2018

WHAT HAPPENED IN APRIL?

We are settled in to our new temporary locations. Check out the “Contact Us” page on our website to find us!

On April 18, the city of Regina conducted the second Point-in-Time count of homelessness in the city. Over 200 volunteers came together to survey the community and collect data on housing needs in our city. We look forward to finding out the results of this count, with hopes that this data can assist in tailoring Regina’s plan to end homelessness!

DONOR HIGHLIGHTS

April was a great month. The generosity we saw was a wonderful reminder of how amazing our community truly is.

St. Catherine Elementary school came together over Lent and decided to give back to the community. As a school, they raised \$600 to support our operations!

The generosity didn’t stop there! The grade 7/8’s came by to drop off some books and blessing bags for us too. Thank you, future leaders!

The Hat Farm donated over \$2,000 for the development of our new building. These funds were proceeds from the sale of an awesome book, compiling photos of hats and stories from local folks here in Saskatchewan. Thanks!

We would never be where we are if it wasn't for our partners in the community! We receive all kinds of donations every month, and while we can't acknowledge them all, we are so thankful for each and every one.
